Thursday October 23, 2014 11:30 AM EST
Market Summary: S&P 500 +0.25% (18.74), NASDAQ +0.21% (19.74), NYSE +0.24% (18.74), NYSE ARCA +0.24% (18.74)

Stocks Move Higher
In a session of falling stock prices, the S&P 500 rose 0.25% to 18,740.80. The Dow Jones Industrial Average rose 177.50 points to 18,740.80.

Employment's Mixed Signal
One of the signs in the "stronger economy" narrative has been the labor market. Although it remains, according to most economists, in a state of recovery, it is still far from its peak.

This Week - Key Economic Data
Wednesday Consumer Price Index (CPI)

Thursday (Pfizer Inc. (PFE), United Therapeutics (UTR))

FOOD FOR THOUGHT

"There are just six of them. Together we can do so much."
-Obama

TAX TIP

The Small Business Health Care Tax Credit
An employer's health insurance costs benefits to small business. The credit is available to employers that have fewer than 25 full-time employees.

HEALTHY LIVING TIP

Games to Exercise Your Brain
Brain games are a great way to keep your mind sharp and boost cognitive function. They can help improve memory and focus.

WEEKLY RIDDLE

Think it every corner, one is every man, inside it is a house, what is it?
Last week's riddle: In a dream, you see a giant. You wake up, and you are still in bed. You are not alone in the bed. Who is there?
